

Skin Pathologies Brochure

You will be creating an informational brochure about a specific skin pathology. Here are your skin pathology options:

Acne	Eczema
Seborrheic Dermatitis	Melanoma
Psoriasis	Measles
Warts	Cellulitis
Hypohidrosis	Hyperhidrosis
Sun Burn	Bruising
Lacerations (cuts)	Hives
Moles	Rashes (dermatitis)
Wrinkles	Rosacea
Lupus	Decubitis Ulcer
Fungal Nail Infection	Shingles
Other	

Your informational brochure needs to follow this format:

Front Cover: title, picture, your name

Inside Cover: What is it? What causes it? What are some risk factors? How many people get it?

Inside Middle: What part(s) of the skin are affected? Include any other interesting facts

Inside Right: treatment, recovery period

Back Right: Prevention methods, detection methods

Back Middle: sources used
